Theresa,

This form that Risk Management wants me to fill out requires a notarized signature.

Can you help me make arrangements to do that?

Thank you.

Hi Lorena,

I'm still missing information from you on the contract description form. The status of each firm needs to be checked off. Because we are also adding a Subconsultant to this agreement, I will need for you to fill out the affidavit again and have it notarized.

Hello Jessica,

The attached forms need to be completed in order for another firm to be added. Please have the prime complete the affidavit and get it notarized. Also, the status of each firm needs to be included on the Consultant Description Form, SBE, VSBE, Etc.

Thanks,

Susana

I believe we only need to have the insurance updated for the new agreement E6899. E6889 is closed and

all invoices have been paid to that agreement as of January 2017.
